DEDICATION

Every Senior of 1955 has had the privilege of working with the gentleman pictured above, either in his English class or in a play, or almost any other school activity. Through his interest in the school and its students, he has earned the respect and admiration of everyone affiliated with Burris.

We, the Class of 1955, are happy to have this opportunity to give formal recognition to Mr. Anthony Tovatt, to whom the words "teacher" and "friend" are synonymous.

Way-We - I think you are one of the greatest gals in the college & the grade, + about a million more good things. I've really had some swell times together in /runner class & the others. Sincerely, Pat Flynn

HONOR SOCIETY

SENIOR OFFICERS

DORIS MORAN, Secretary
 DAVE HART, Vice President
 DAVE STIPP, President
 KATHY RAISOR, Treasurer

The success of our last year in high school is largely due to the help of the three people pictured here: Miss Vivian Hays, Mr. Richard Kishel, and Mr. Russell Burkhart. Among their assigned duties as our class sponsors were such responsibilities as straightening our class schedules; their self-assumed duties consisted of giving hours of their own time to class projects and helping individuals iron out personal problems. We, the Class of '55, wish to express our appreciation to them for their friendly guidance.

Although a senior will rarely admit it, many of the most important activities of a class take place in the earlier years of high school. During these busy years, the Class of 1955 was fortunate in having as its sponsor Miss Helen Masha, whose untiring assistance launched us and guided us on what we believe has been a very successful high school career.
